SIR,

With reference to your letter No. P.852-Law.13-30-2 dated the 14th August 1930 calling for a report on the legal notice issued by Mr. V. Krishnamurthy, Advocate, Bangalore, on behalf of Sri Venkateswara Swami Lakshmi Bank, Ltd., Manchenahalli, Goribidanur Taluk, I have the honour to state that a similar notice dated 21st July 1930 having been addressed to me also by the same Advocate and Mr. V. Ramakrishnaiya, First Grade Pleader Bangalore an ad-interim reply was given to them that no reference being available in this office, a report had been called for from the District Educational Officer on the receipt of which furhter action would be taken in the matter.

There has been some unavoidable delay in the submission of this report as the question relates to a transanction nearly 12 years old and references are not available.

From the existing records in the matter and the report of the District Educational Officer, Kolar, on the subject, the following facts have been gathered. In Government Order No. 3576-7 Edn.83-18-2 dated 28th October 1918 Government sanctioned the conversion of 19 Rural Anglo-Vernacular Schools to Government Schools and of these, the school at Manchenahalli was one. In respect of this school, one Mr. Gopalappa, Agent of the Bank at Manchenahalli had paid into the Taluk Treasury towards the cost

of the local A.V. School a contribution of Rs.300 for the period 1st July 1918 to 1st July 1919 and the Government sanctioned a grant amounting to Rs.300 (equal to the contribution). Mr. Gopalappa, as Manager of the Rural A.V.School, was permitted to draw Rs.50 per mensem for one year from 1st July 1918 towards the cost of the school. But he drew at this rate only for 6 months and 1 day i.e. from 1st July 1918 to 1st January 1919 inclusive and not for the remaining period, since the -- school was converted into a Government School from 2nd January 1919 in accordance with Government Order of 28th October 1918 cited above. Thus Mr. Gopalappa's contribution for the remaining period (30 days in January plus five months from February to June 1919) at Rs.25/- a month i.e 149-3-1 has reamined undrawn. It is this sum that is now claimed and which with the maximum interest allowable by law comes to Rs. 300/- as the notice says.

In most cases of conversion of Rural A.V. Schools to Government A.V. Schools the contribution paid as a condition of Government grant appears to have been paid from the school fund formed out of savings in fees and consequently there was no question of refund in their case. It was only in a few cases like Manchenahalli that there was no such "fees fund" and where the contributions were paid by the people. In the few cases ~~like~~ except Manchenahalli, the balance of the people's contribution was very small and it was used with their consent for providing a library for the schools concerned.

The question of refund of contribution in respect of Manchenahalli came up before the Department in November 1919 and seems to have been referred to the District Educational Officer, Kolar. The District Educational Officer's report gives copies of certain correspondence between him and the Head Master of the School in May and June 1922 when Mr, Gopallappa's claim seems to have been urged and to have been under consideration in the District Educational Officer's Office. But neither does the District Educational Officer nor the party appear to have made any subsequent reference to this office.

The District Educational Officer recommends that the amount of Rs.149-3-1, the unutilised portion of the contribution may be refunded

to the Manager of the School. As this sum had been paid on the assumption that the school would continue to be a grant-in-aid school, the amount may be ordered to be refunded to the party.But it is not clear whether the contribution was made by Mr, Gopalappa for the Bank or for the people or in his own capacity as a benefactor although perhaps it is to be presumed that the contribution might have been made on behalf of the Bank, as the present legal notice demands refund to the Agent and the Cashier of the Bank. On this matter, the District Educational Officer has again been addressed and his reply awaited. A further reference will be submitted to Government, if necessary, on the receipt of the District Educational Officer's report.

I have the honour to be,

Sir,

Your most obedient servant,

Director.

No 210 dated 18/19-6-1922. Enclosures 4.

In obedience to your kind order no 9196/2113 dated 11.6.1922 directing me to submit certain information regarding the question of refunding some money to Mr Gopalappa, Bank Agent, Manchenahalli - I beg to submit that the amount of monthly grant drawn by the School during the period of 6 months and 1 day from 1st July 1918 to the 2nd of January 1919 was Rs 301-9-10 at the rate of Rs 50/- per mensem, and it was not the procedure to remit the fees to the Govt Treasury as in the case of A.V. Schools (Vide Bangalore Circle Inspector's

Order No 10625-6/1515 dated 26.6.1918) the copy of which is submitted herewith for your kind perusal, the amount of fees realised by the School after it became Govt School from 1st January to the end of June 1919 was Rupees 270-6-0. Mr. Gopalappa as the manager of the Aided English School used to pay Rs 300/ every ~~month~~ year to the credit of Village School funds in order to get the monthly grant of Rs 50/- renewed every year to maintain the School and at the same time he used to recover the same amount at 12 instalments at the rate of Rs 25/- a month when the monthly grant of Rs 50/- was drawn by him on the bill duly countersigned by the Inspecting General of Education. He also used to pay the balance of Rs 25/- to the Head master of the School to meet the Establishment charges with a clear understanding that the Collection of fees in the School together with Rs 25/- would enable the Head Master to maintain the staff. As per this usage Mr. Gopalappa managed to draw Rs only 301-9-10 on 6 bills from the first-

first July 1918 to the 2nd of January 1919, out of which he paid to the Head master Rs. 150-12-11.
